DETAILED ACTION

Allowable Subject Matter

Claims 1-8 and 15-24 are allowed.

The following is an examiner's statement of reasons for allowance: The inclusion in claim 1 of limitations that a laser analysis device comprises a beam directing optic disposed as an annulus and an inner beam directing optic is considered a nonobvious modification of prior art inventions such as those described in Veith. The inclusion in claim 15 of limitations that a laser analysis device comprises an annular beam directing optic and an inner optic having a width matched to the waist of a focused illumination beam is considered a nonobvious modification of prior art inventions such as those described in Veith.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
